

Hold your image in mind  
in work and in play.  
Every second, every minute,  
every hour of your day.  
And if during your day  
the going gets rough,  
just remind yourself,  
"It's okay, I can do this,  
I'm tough!"

The Magic of Being Series

Once you decide and make up your mind,  
the magic begins, it works every time.
